REMARKS

In the Notice to Non-Compliant Amendment, Applicants was advised that the amendments to the claims were non-compliant because of a descriptive legend appeared to be incorrect. In response to the Notice, the within Response includes a corrected section of the previously provided non-compliant amendment to the claims (*i.e.*, the entire Amendment to Claims section). Applicant respectfully submits that the descriptive legend used in claim 16 satisfies the legend criterion of 37 C.F.R. §1.121, and thus entry of the within amendment is again respectfully requested. It is further noted that the revision to the claims amendments did not change the previously submitted amendment (*i.e.*, the text of the claims otherwise agree with those provided in the previously submitted amendment).

It is respectfully submitted that the subject application is in a condition for allowance. Early and favorable action is requested.

Applicant believes that additional fees are not required for consideration of the within Response. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, the Commissioner is hereby authorized and requested to charge Deposit Account No. 04-1105.

Respectfully submitted,
Edwards Angell Palmer & Dodge, LLP
